A Manual For Creating Atheists As an urgently needed counter to this tried-and-true tradition of religious evangelism, A Manual for Creating Atheists offers the first-ever guide not for talking people into faith--but for talking them out of it. Peter Boghossian draws on the tools he has developed and used for more than 20 years as a philosopher and educator to teach how to engage the faithful in conversations that will help them value reason and rationality, cast doubt on their religious beliefs,

A Manual for Creating Atheists: A Critical Review. Since its release last November, Peter Boghossian's A Manual for Creating Atheists has quickly become one of the most popular new books on atheism (as of now it has 200 reviews on amazon.com). As someone who has also recently written a book on atheism, though from a far different perspective, I was eager to see Boghossian's method for "creating an atheist."
