The History of Black Muslims in America - ThoughtCo

African-American Muslims, also colloquially known as Black Muslims, are an African American religious minority. They represent one of the larger minority Muslim populations of the United States as there isn't an ethnic group that makes up the majority of American Muslims. They are represented in Sunni and Shia denominations as well as smaller sects, such as the Nation of Islam. The history of African American Muslims is related to African-American history, in general, and goes back to the Revolu

African-American Muslims - Wikipedia

This series of articles focuses on the early pioneering African-American men and women who converted to Islam Ahmadiyyat. They established mosques, missions and propagated their faith tirelessly across America between the 1920s and 1970s. Each article is a snapshot in time which focuses on a city and some of the converts. Dr Talha Sami, UK [...]

The transatlantic slave trade brought African Muslims from the west coast of Africa into bondage in the US. Approximately one million of the Africans brought to America as slaves were Muslim. And today, over 25% of Muslims in the US are American-born Black Muslims.

We Been Here: Black Muslims in America

Black Muslims. "Black Muslims," a name coined by C. Eric Lincoln in 1960, refers to the members of one of the most militant and separatist black religious movements in America, the Nation of Islam. Although it uses the term "Islam" as part of its official name, the Nation is essentially a "proto-Islamic" movement: it utilizes some of the symbols and trappings of Islam, but its central message is black nationalism.

Black Muslims | Encyclopedia.com

The vast majority of black Americans are either Christian (79%) or religiously unaffiliated (18%), while about 2% of black Americans are Muslim. About half of black Muslims (49%) are converts to Islam, a relatively high level of conversion. By contrast, only 15% of nonblack Muslims are converts to Islam, and just 6% of black Christians are converts to Christianity. Black Muslims are like black Americans overall in that they have high levels of religious commitment.
