Overview IAS 8 Accounting Policies, Changes in Accounting Estimates and Errors is applied in selecting and applying accounting policies, accounting for changes in estimates and reflecting corrections of prior period errors.

IAS 8 – Accounting Policies, Changes in Accounting ...

Chapter 8 identifies the appropriate items to include in inventory, including the treatment of goods in transit and consigned goods. Further, a company must allocate total cost of goods available for sale (beginning inventory plus purchases) between ending inventory and cost of goods sold. This requires the adoption of a costing technique.

Chapter 8: Inventory - principlesofaccounting.com

first, you enter the cash balance according to bank from the ending cash balance according to the bank statement. second, add deposits not recorded by the bank. third, deduct outstanding checks that have not been paid by the bank. Lastly, determine the adjusted balance by adding step 2 and deducting step 3.
