In the BDSM world, "Dominant" is a word that's thrown around a lot. Being a Dom can seem very appealing. Most are men who want to be more dominant in bed, but also in their relationships, and even in life in general. But unfortunately, there are a lot of fake doms out there who are not worthy of submission.

In the BDSM world, "Dominant" is a word that's thrown around a lot. Being a Dom can seem very appealing. Most are men who want to be more dominant sexually in bed, but also in their relationships, and even in life in general. Unfortunately, there are a lot of fake Doms out there.

~~**The Ultimate Guide to Being a Dominant - Dom Sub Living**~~

There are three main components to BDSM: bondage and discipline, sadism-masochism, and submission-domination, the latter often shortened to sub-dom. In these practises, there is often an imbalance between the partners: one likes being tied up and/ or spanked, the other enjoys doing the tying or the spanking - but what is crucial is that the actions, and the partnership, should always be consensual and informed.

~~**The Ultimate Beginner's Guide to BDSM | Couples Candy**~~

The bondage and discipline element of BDSM refers to sexual acts where the submissive partner is trained and restrained, many of these acts are present in our everyday sex life on a milder scale (think covering your partners eyes or holding their hands together).

Publisher Description There are two foundational pillars of a BDSM relationship between a Dom and a sub: consent and trust. Everything else in the relationship - the fun, the love, the discipline, the eroticism, the tears and the journey - are all built on those standards. Both consent and trust require honest communication in order to thrive.

~~**Dom's Guide To Submissive Training Vol. 2 - 25 Things You**~~

Doms don't have super powers over subs. Subs have brains and free will, and will tell you to fuck off and eat a dick regularly. No D/s relationship is as perfect and glossy as their Fetife profile would lead you to believe. Step 3: Don't try and Dom the world. Identifying as a Dom doesn't mean that every Sub will suddenly submit to you.

Review, Dom's Guide to **BDSM, Vol. 3** This is a book for beginners and third in a series, which I'd recommend for a new Dominant or student Master who has no kink community or munch in their area or is in a rural setting. It would be better, of course, to have a mentor and this book/series fills in some blanks when starting out on your own.

"Dom's Guide to BDSM" was specifically written for Doms/Masters. In Volume 3 of this series, we're going to focus on advanced techniques that will set you apart from the fake/novice doms/masters who are just looking for someone to abuse. After finishing reading this book, you will be fully equipped to be the best Dom you can be. You will have complete dominance over your sub, and also have the option of helping to transform the sub sub into becoming the better version of herself that she really wants to be. Your knowledge as a disciplinarian, a Master, a dominant, an Alpha and a teacher, will always be a commodity and a great value that subs will find very attractive. You will be a true Master that any sub will respect & admire."--Back cover.

Much of what we've "heard" about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are oftentimes shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, and it's also a concept that you will find is not "scary." And even the "pain" that is spoken of is not the type of pain people think it is. This book is written for Doms/Masters in training. It is written for you, the average guy or gal, who doesn't already have a closet full of leather and whips, and who really has little idea about what BDSM is besides what they've heard about it. What you are going to find out, is that the Dom/Master actually has the more complicated role. The master has the task of giving pleasure and discipline to the slave or sub. A great deal of what you do as a Dom will be for the benefit of a sub. You must derive pleasure from giving, have a great desire to please a partner, and not simply take what you want. Still interested? Good. Now that we know you're a REAL master in training, one that will respect the rules, respect the slave you have power over, and follow protocol, you can begin your Dom training. Only then can you truly earn the utmost respect and admiration from your sub. In Volume 1 of this series we are going to discuss: - How to think and act like a Dom - What the slave expects from you - What not to do and what instincts you do NOT want to follow -Your motivation and your goals - How to find out a sub's taboo - How to negotiate, find agreement and ensure that game play is always safe - How to make a slave yearn for you and desire to be controlled by you -And much more...

"Dom's Guide to BDSM" was specifically written for Doms/Masters. In Volume 2 of this series, we're going to focus on how to better communicate with a sub, and how to go back and forth with role playing. We're going to teach you how to express yourself, how to read your sub and look for cues, and how to go about getting a real life BDSM relationship started. We're also going to discuss how to train your sub accordingly and with a purpose. This is important and is an often-neglected part of the BDSM community. The highly sensationalized, "purely sexual" relationships you read about or see depicted in TV or movies is not the only type of relationship forged. Some relationships really are all about personal missions, self-improvement and getting in touch with suppressed inner feelings. We will cover this as well as the most important part of BDSM dominance--having a plan. You will learn how to be an excellent Dom and it all starts with a few simple steps. Note: If you have not read Volume 1 in this series (Dom's Guide To **BDSM Vol. 1: 49 Must-Know Tips On How To Be The Perfect Dom/Master Your submissive Will Truly Respect & Admire**), it is highly recommended that you do so before taking on this book.

What does it really mean to be a submissive, or sub? Much of what we see in BDSM practice, especially in the mainstream, focuses on how to become dominant and act like the ideal Dom or Master, or "Top." However, a lot of newcomers are confused as to how this works. They vaguely understand that the submissive or sub or slave is supposed to obey. But they don't understand the emotional dynamics, or how to act like the ideal sub, or even how to enjoy the experience. That's what this book is going to teach you: How to be a better sub, and have a happy & healthy BDSM lifestyle. Here are just some of the things you will discover in volume 1 of "Submissive's Guide To BDSM": - Why you want to experience punishment... - The science of pain & pleasure... - Type of Doms to beware of... - How to pick the right Dom just for you... - How to protect yourself from wannabe Doms and predators... - The right way to explore taboo fantasies in BDSM ... - Type of limits and when & how to use them... - How to communicate with your Dom... - Common mistakes new subs make... - How to "train" your Master... - How to "fire" your Dom if it's not working out... - And much more...

Being a sub means this BDSM game is really all about your pleasure. The Dom's goal is to provide you with the pleasure you crave and send you to a higher level of eroticism through very intensive sessions of bondage, discipline, sadism and masochism. During volume 1 we talked about trust; finding a Dom you can trust and one that meets your high standards. In this book, we are going to explain how you as a sub can develop a criteria for your Dom and ensure that each session is going to be enjoyable. Here are just some of the things you will discover in volume 2 of "Submissive's Guide To BDSM": - What is your "Ideal Scene"... - How and what you should tell your Dom, when he creates the scene... - How to create a mutually beneficial relationship with your Dom... - Etiquette on being a sub for the first time... - How to enjoy the pain as a sub... - How to work with multiple Doms... - How to reach a whole zenith of pleasure... - How to make your vanilla spouse enjoy BDSM with you... - And much more...

[Siren Allure: Erotic Consensual BDSM Romance, M/F with M/F/M and F/F elements, public exhibition, spanking, whipping, caning, shaving, piercing, sex toys, HEA] Desperate for Dominant Ben to show an interest in her, Kat is persuaded by a friend to attend a beginners submissive and BDSM training conference in the hope of finding out how to attract him. She is shocked to find he is one of the trainers. Meanwhile, Ben doesn't think she is submissive enough for him and conceives of increasingly intimate tasks to prove he is right, despite admiring her courage in staying. As the conference progresses, Kat is fascinated by what she learns and completes each task, hoping all the while to convince him of her submissiveness--although some tasks she finds more difficult than others. Confused by his growing feelings for her, Ben keeps pushing her away until her tenacity finally wears him down and he insists on her taking a final exam to prove herself. Is this a step too far for Kat? ** A Siren Erotic Romance

You will a true Master that any sub will respect & admire. Here are just some of the things you will discover: - Common "Vanilla" BDSM Activities (And How To Do Them Right!) - Extreme Bondage Play - Roleplaying and Questionable Consent - How to Genital-Torture Him/Her Without Pushing Too Far - Suspension and Other Forms of Bondage - Humiliation That Turns On, Not Off - Edging and Edge Play - How to Put Your Partner in Trance - Anonymous Fun with New People - Where to Find a Quality Sub or Dom - Introducing a BDSM Element into a Vanilla Relationship - Threesomes, Orgies and Gender Neutral Sessions - And much more... Note: If you have not read Volume 1 & 2 in this series, it is highly recommended that you do so before taking on this book.

Are you a frustrated Dom? Have you tried to be the best Dom possible but can't seem to find any subs? Do your sessions end prematurely? Are you not quite sure what you're doing wrong or how to start setting up programs for a sub that wants emotional healing? You've come to the right place! Continuing our line of BDSM education books, we've compiled a list of tips that we call "Troubleshooting Tips", especially made for Doms who are stuck in a circle of inactivity. Your subs may complain that you're too aggressive or too nice, or maybe that you just don't understand. The problem is not necessarily with you or your attitude. Usually it's because you haven't been formally trained on how to DIRECT a sub towards a progressive plan of action. It is your job to train a sub, explain the punishments and rewards, and transform her thinking. No Dom has ever started off a complete natural. Everyone needs training and additional tips for turning their intermediate knowledge into professional / expert level understanding. In "Mastering The Art of Dominance," you will learn: - How to attract subs (even if you've been unsuccessful in the past) - How to avoid mentally disturbed subs before it's too late - How to turn your friend-with-benefits into a sub - How to identify troubled subs who can be helped and how to help them - How to manage multiple subs and multiple partners with fellow Doms - How to deal with jealousy and rivalries with multiple subs - And much more... By the time you finish this book, you're going to be ready to be a top of your class Dom!

A Dom/sub relationship doesn't just happen. It is a finely crafted and designed system of expectations and joys. In order for you and your submissive lady to "fit" one another and create a lasting, happy union there must be a period of training. It does not matter if your sub has thirty years of experience in submission or just read 50 Shades of Grey and decided to try it herself. She will need to be trained for the best relationship to emerge. "Dom's Guide to Submissive Training" was specifically written for doms/masters. It is designed to provide you with a step-by-step blueprint on how to train your new sub. It goes from preparation all the way down to the closing ceremony including advanced techniques & tips. Training can be one of the most exciting, challenging and fun parts of the relationship. A well-trained sub will not only serve you in the capacity you deserve, but will have built up the two most important elements in any BDSM relationship - trust and consistency. Following the instructions in this guide will allow you to show yourself as a worthy master, who is in control, experienced and able to guide you both to the best possible life.
