Come and mend your broken hearts here. In this retelling of the classic tale "The Twelve Dancing Princesses," the eldest princess must fight to save her family—and her heart—from an ancient dark magic within the palace walls. "Full of mystery, lush settings, and fully orbed characters, Dixon's debut is both suspenseful and rewarding."—ALA Booklist Just when Azalea should feel that everything is before her—beautiful gowns, dashing suitors, balls filled with dancing—it's taken away. All of it. And Azalea is trapped. The Keeper understands. He's trapped, too, held for centuries within the walls of the palace. So he extends an invitation. Every night, Azalea and her eleven sisters may step through the enchanted passage in their room to dance in his silver forest, but there is a cost. The Keeper likes to keep things. Azalea may not realize how tangled she is in his web until it is too late. "Readers who enjoy stories of royalty, romance, and magic will delight in Dixon's first novel."—Publishers Weekly Supports the Common Core State Standards

It's funny the game fate plays. Freya never imagined that 'something new' would be a fresh start in the big city after finding out her high school sweetheart is cheating on her. New city, new job, new life coaxed along by her best friend Laura. Everything was starting to settle down. What she wasn't expecting was to be suddenly knocked off her feet by a new man coming into her life. Is Carter everything she has been waiting for, or is there a secret about to ruin everything?

Sometimes love gets a bit twisted. Avery Montgomery doesn't even know if she wants a soul mate. As a member of the Hellenicus—a race founded in antiquity and descended directly from the Greek gods—Avery's attending her first Gathering where she'll gain the ability to entwine her thoughts with her destined soul mate and be tied to them forever. But all is not as it seems at the Royal Court. There are severe and strange looks from the elders, whisperings from the ancient Dodona tree, and encounters with spirits who seem to know Avery better than she knows herself. Throughout these whirlwind events at Court, Avery finds herself torn between her feelings for the wise and protective Vladimir and the passionate, fun-loving Adrian. Unwilling to surrender her independence or to betray her heart, Avery must decide once and for all if she'll give in to her desires and risk the wrath of the Gods. Because who are you if your destiny lies with another person?

Elena must save the very beings who would kill her if given the chance... There's nothing Fae despise more than the half-breed called Halven, a race of lesser beings produced by the mating of a Fae and a human. Only now those Halven are looking more useful each day, because a deadly virus unleashed in Faery is killing immortal Fae, and the only person capable of healing them is a Halven living on Earth. A mere slip of a girl named Elena Rosales descended from a line of Fae known for their powerful magic, and she'll come into her ability soon. An ability that could destroy the virus--if she can master it. Her only shot at learning to control the magic she was born into and creating a cure? Enlisting the help of her brooding, though brilliant, chemist neighbor, Derek, who rivals the Fae in masculine beauty. But when Elena and Derek get together, more than chemicals spark fire. They soon discover how complicated attraction can get when they find themselves on the other side of the portal, enemies by birthright, and fighting for survival.
