Buy Fundamentals of Entrepreneurship and Small Business ...
Entrepreneurship is the creation or extraction of value. With this definition, entrepreneurship is viewed as change, which may include other values than simply economic ones. More narrow definitions have described entrepreneurship as the process of designing, launching and running a new business, which is often initially a small business, or as the "capacity and willingness to develop, organize and manage a business venture along with any of its risks to make a profit ."

Entrepreneurship - Wikipedia
The Book Fundamentals Of Entrepreneurship by Sangram Keshari Mohanty was so delightful to read & is very informative, it throws light on the entrepreneur concepts & the history when the entrepreneurship started from the ancient period till the post independence period, it also provides information about the various classifications & functions of an entrepreneur.
