*The Great Gatsby* is a 1925 novel written by American author F. Scott Fitzgerald that follows a cast of characters living in the fictional town of West and East Egg on prosperous Long Island in the summer of 1922. The story primarily concerns the young and mysterious millionaire Jay Gatsby and his quixotic passion and obsession for the beautiful former debutante Daisy Buchanan. *The Great Gatsby* explores themes of decadence, idealism, resistance to change, social upheaval, and excess, creating a portrait of the Jazz Age or the Roaring Twenties that has

been described as a cautionary tale regarding the American Dream. Set on the prosperous Long Island of 1922, *The Great Gatsby* provides a critical social history of America during the Roaring Twenties within its fictional narrative. That era, known for profound economic prosperity, the development of jazz music flapper culture, new technologies in communication (motion pictures, broadcast radio, recorded music) forging a genuine mass culture; and bootlegging, along with other criminal activity, is plausibly depicted in Fitzgerald's novel. Fitzgerald uses many of these societal developments of the 1920s that were to build Gatsby's stories from many of the simple details like automobiles to broader themes like Fitzgerald's discreet allusions to the organized crime culture which was the source of Gatsby's fortune. Fitzgerald depicts the garish society of the Roaring Twenties by placing the book's plotline within the historical context of the era.

How do we get ourselves out of the foreground of our thoughts and achieve compassion? The speech captures Wallace's electric intellect as well as his grace in attention to others. After his death, it became a treasured piece of writing reprinted in *The Wall Street Journal* and the *London Times*, commented on endlessly in blogs, and emailed from friend to friend. Writing with his one-of-a-kind blend of causal humor, exacting intellect, and practical philosophy, David Foster Wallace probes the challenges of daily living and offers advice that renews us with every reading.

Seminar paper from the year 2006 in the subject American Studies - Literature, grade: 2,3, University of Regensburg (Institut for American Studies), course: American Literatur in the 20th century, 15 entries in the bibliography, language: English, abstract: "Long before 'America' became a country, it was a continent, and long before it was known to exist as a continent, it was a vision and a dream" (Freese 78). This vision or dream has often been discussed by modernist writers such as F. Scott Fitzgerald. Fitzgerald's *The Great Gatsby* is a novel about the unconditional love of the self-made man Jay Gatsby to a woman that personifies for him true love, success and the ultimate possession. Yet one of the major themes of his masterpiece is not a disenchanting love relationship, but rather the decline and the corruption of the American Dream. In his novel old values that once gave substance and hope to the Dream have been replaced by immoral and decadent pursuits and virtues, which have eventually corrupted the venerable idea of the American Dream. "*The Great Gatsby*, we are told, is not simply a chronicle of the Jazz Age but rather a dramatization of the betrayal of the naive American Dream in a corrupt society" (Ornstein 54). It is the thesis of this paper that *The Great Gatsby* is a comment on the corruption of the American Dream in the Jazz Age of the 1920s, which can be particularly observed in the characters Jordan Baker, Tom and Daisy Buchanan and Jay Gatsby. A short overview of the main assumptions and characteristics of the American Dream will follow the introduction, in particular taking into account Benjamin Franklin's ideas on how to achieve success and wealth in the American society and discussing his proposed thirteen virtues in the *Poor Richard's Almanack*. Additionally the main ideas that constitute the American

dream will be introduced and highlighted. In the third part of the paper these main ideas and Franklin's recipe for success will be applied to *The Great Gatsby* and its characters. Here it will be essential to see, to which extent the characters mentioned above comply with the main ideas and characteristics that compose the idea of the American Dream and its way to success and wealth. Lastly, the conclusion will highlight the results and will prove the thesis, which was raised.

*Tender is the Night* is a story set in the hedonistic high society of Europe during the 'Roaring Twenties'. A wealthy schizophrenic, Nicole Warren, falls in love with Dick Diver - her psychiatrist. The resulting saga of the Divers' troubled marriage, and their circle of friends, includes a cast of aristocratic and beautiful people, unhappy love affairs, a duel, incest, and the problems inherent in the possession of great wealth. Despite cataloging a maelstrom of interpersonal conflict, *Tender is the Night* has a poignancy and warmth that springs from the quality of Fitzgerald's writing and the tragic personal experiences on which the novel is based.
