The first exciting new western in a brand-new series from the legendary Jim Byrnes who wrote many episodes of the long-running western show "Gunsmoke," and the acclaimed Western TV series "The Sacketts." The Civil War behind him, Heller is a man who never looks for trouble... but trouble finds him. Rescuing an independent, spirited stallion from being shot by its enraged owner, man and horse are on the run. The stallion's owner, a rich rancher, brands Heller a horse thief and hires a trio of bounty hunters to track him down. The rancher pledges to hang Heller and shoot the renegade horse. The pursuit takes Heller and the stallion into the treacherous Badlands of the Arizona Territory. The year is 1867. Traveling the Badlands, Heller encounters two women, mother and daughter, escaping an overzealous religious cult. They have survived a band of savage Comancheros who have raided the isolated homestead. Heller knows he can't risk saddling himself with a pair of helpless females. He is also aware the Comancheros are slave traders in search of women of any age. In a rare show of compassion and against his better judgement, he takes them with him, venturing deeper into the Badlands. This is western action at it's best--if you

EDGAR AWARD NOMINEE NATIONAL BESTSELLER ONE OF THE BEST BOOKS OF THE YEAR: THE OBSERVER (LONDON) * KIRKUS REVIEWS Wynn and Jack have been best friends since college orientation, bonded by their shared love of mountains, books, and fishing. Wynn is a gentle giant, a Vermont kid never happier than when his feet are in the water. Jack is more rugged, raised on a ranch in Colorado where sleeping under the stars and cooking on a fire came as naturally to him as breathing. When they decide to canoe the Maskwa River in northern Canada, they anticipate long days of leisurely paddling and picking blueberries, and nights of stargazing and reading paperback Westerns. But a wildfire making its way across the forest adds unexpected urgency to the journey. One night, with the fire advancing, they hear a man and woman arguing on the fog-shrouded riverbank; the next day, a man appears on the river, paddling alone. Is this the same man they heard? And if he is, where is the woman? From this charged beginning, master storyteller Peter Heller unspools a headlong, heart-pounding story of desperate wilderness survival.

Struggling with dark impulses after serving time for attempted murder, a successful artist gives in to his obsessions to kill an abusive troublemaker before fleeing the authorities and the man's vengeful clan.

uncovers a plot of shocking menace amid the natural beauty of sun-drenched streams and forests. "Peter Heller is the poet laureate of the literary thriller.

--Michael Koryta, New York Times bestselling author of *Those Who Wish Me Dead* Kingfisher Lodge, nestled in a canyon on a mile and a half of the most pristine river water on the planet, is known by locals as Billionaire's Mile and is locked behind a heavy gate. Sandwiched between barbed wire and a meadow with a sign that reads Don't Get Shot! the resort boasts boutique fishing at its finest. Safe from viruses that have plagued America for years, Kingfisher offers a respite for wealthy clients. Now it also promises a second chance for Jack, a return to normalcy after a young life filled with loss. When he is assigned to guide a well-known singer, his only job is to rig her line, carry her gear, and steer her to the best trout he can find. But then a human scream pierces the night, and Jack soon realizes that this idyllic fishing lodge may be merely a cover for a far more sinister operation. A novel as gripping as it is lyrical, as frightening as it is moving, *The Guide* is another masterpiece from Peter Heller.

Tom Healy was in trouble. His theatrical troupe needed to get to Alder Gulch, Montana, and the weather was turning. Andy Barker promised Tom he could get them there safely, but Tom was reluctant to trust him: he had the lives of three actresses to consider, and his personal feelings for Janice further heightened his concern. Then King Mabry showed up. Although Tom didn't like the way he looked at Janice, he could see that Mabry made Barker uneasy. So Tom

invited Mabry to join them. Tom was right to be worried, because Barker had a plan. He knew that the wagons carried something more than actors and scenery. He and his men were going to steal it any way they could. And that included murder.

"The Kid Who Beat Wall Street...and Saved Africa," is a story that takes place on six different continents where our hero, Marco, invests in a gold mine stock, corners the market in corn, and makes over \$500,000. That's right, over half a million dollars. By the way, he's only 12 years old and his parents have no idea. However, it is also the story of children in war torn Africa, of marauding gangs of thugs, burning and pillaging. It's a story of disease, of the lack of food, clean water, and medicine. Marco, along with his pen-pals from all over the world, learns of the plight of these less fortunate children in Africa. A daring way is devised to come to their rescue. "The Kid Who Beat Wall Street...and Saved Africa," tells of courage, of adventure, and of how one boy can begin to save the world, one small step at a time.

Author of the New York Times bestselling novel *The Dog Stars* With grit, poetry, and humor, Peter Heller, acclaimed author of *The Whale Warriors* recounts his remarkable journey of discovery—of surfing, an entirely new challenge; of the ocean's beauty and power; of the strange surf subculture; of love; and, most of all, of how to seek adventure while crafting a meaningful life. Having resolved to master a big-hollow wave—that is, to go from kook (surfer for beginner) to shredder—in a single year, Heller travels from Southern California down the coast of Mexico in the company of his girlfriend and the eccentric surfers

they meet. Exuberant and fearless, Heller explores the technique and science of surfing the secrets of its culture, and the environmental ravages to the stunning coastline he visits. As Heller plumbs the working of his own heart and finds joy in both love and surfing, he affords readers vivid insight into this fascinating world, with all of its perils and pleasures, its absurdity and wonder. Exhilarating, entertaining, and moving, Kook is a love story between a man and his surfboard, a man and his girlfriend, a not-so-old man and the sea.
