Donation was written  
by, for, and about  
families built through  
egg and embryo  
donation. It takes the  
reader on a  
journey--from infertility  
diagnosis, to  
pregnancy, to how to

# Get Free Insiders Guide

talk to your child about egg donation. Let's Talk About Egg Donation tells true stories of real families who are parenting via egg and embryo donation. Their stories are woven throughout the book to craft an informative, easy-to-read narrative that focuses on positive language choices.

# Get Free Insiders Guide

This is the first book written by parents through egg donation that gives you age-appropriate scripts for how to take the scary out of talking to your kids about the special way in which they were conceived.

Victoria Hopewell was a forty-something divorcee when she

# Get Free Insiders Guide

met and married a longtime bachelor whose ninety-year-old parents were anxiously awaiting a grandchild. Yet even though Victoria had two young daughters from a previous marriage, her eggs were aging faster than her healthy hormones and youthful appearance would

# Get Free Insiders Guide

suppose. Desperate to bear a child, willing to undergo any procedure, she is blocked at every corner of medical protocol. Finally she considers a donor egg. Placed on a lengthy waitlist, Victoria and her husband embark on a surrealistic egg donor hunt. Follow her

# Get Free Insiders Guide

Insider's account of the hidden world of egg donation - where women's eggs are bought and sold over the Internet, you can go on blind egg dates to meet a potential donor, or you can breed future superstars with the eggs from musical divas and Olympic athletes. Victoria's

# Get Free Insiders Guide

Experiences offer a useful shopper's guide for any prospective donor egg consumer and spotlight questionable practices in today's unregulated donor egg marketplace.

From one of the world's leading authorities, a practical resource guide filled

# Get Free Insiders Guide

with the essential  
information you need  
to know about  
assisted reproduction

Third-party  
reproduction is now  
easier, more  
accessible, and more  
successful than ever  
before, yet it is still a  
complex process.

Before you start down  
this path to  
parenthood, there are

# Get Free Insiders Guide

Important questions to consider such as, “How are sperm, eggs, and embryos screened?”, “How do I find a donor?”, or “What are the legal issues surrounding surrogacy?” Here, psychologist Kim Bergman—an expert in the field and a mother herself through assisted reproduction

# Get Free Insiders Guide

—provides the answers you need and more. Your Future Family provides a roadmap for navigating the journey of building a family through assisted reproduction. It outlines the very first steps you should take, the options available to you at each turn, and

# Get Free Insiders Guide

Includes essential advice and tips to help set you up for success. Filled with personal anecdotes from Bergman's own life, as well as the lives of her clients, this book brings the human element of creating a family this way to life. The definitive primer on assistant

# Get Free Insiders Guide

reproduction, Your  
Future Family  
provides a  
foundational  
knowledge of the  
entire process,

confidence to fulfill  
your dreams of  
creating a family.

From one of the  
world's leading  
experts, an absorbing  
narrative history of the  
changing structure of  
modern families,  
showing how children  
can flourish in any  
kind of loving home.

The past few decades

# Get Free Insiders Guide

have seen  
extraordinary change  
in the idea of a family.  
The unit once  
understood to include  
two straight parents  
and their biological  
children has  
expanded vastly --  
same-sex marriage,  
adoption, IVF, sperm  
donation, and other  
forces have enabled  
new forms to take

# Get Free Insiders Guide

shape. This has resulted in enormous upheaval and controversy, but as Susan Golombok shows in this compelling and important book, it has also meant the health and happiness of parents and children alike. Golombok's stories, drawn from decades of research,

# Get Free Insiders Guide

are compelling and dramatic: family secrets kept for years and then inadvertently revealed; children reunited with their biological parents or half siblings they never knew existed; and painful legal battles to determine who is worthy of parenting their own children. Golombok

# Get Free Insiders Guide

explores the novel moral questions that changing families create, and ultimately makes a powerful argument that the bond between family members, rather than any biological or cultural factor, is what ensures a safe and happy future. We Are Family is unique, authoritative, and

# Get Free Insiders Guide

deeply humane. It  
makes an important  
case for all  
families--old, new,  
and yet unimagined.

# Comprehensive Guide For All

The inside scoop... for  
when you want more  
than the official line!  
Once you decide to  
start a family, you  
may think pregnancy

# Get Free Insiders Guide

will occur quickly.  
However, it takes the  
average healthy  
young couple six  
months to a year to  
conceive. This guide  
helps you get in the  
best possible shape  
for conceiving,  
discussing conception  
and misconceptions in  
depth. If pregnancy  
doesn't happen  
"automatically," you're

# Get Free Insiders Guide

not alone; one in six couples have fertility problems. The Unofficial Guide to Getting Pregnant provides clear, unbiased guidance on the many confusing medical, emotional, and financial issues related to getting pregnant. This book objectively reviews state-of-the-art

# Get Free Insiders Guide

infertility treatments and procedures, including fertility drugs, corrective surgery, IVF, and the other assisted reproductive technologies. It also covers third-party procedures, such as sperm and egg donation and surrogacy. Vital Information few

# Get Free Insiders Guide

resources

reveal--information  
that can help you zero  
in on the most

effective, economical  
approach for you.
