TRIP is an acronym that stands for, Topic, Relationship, Identity/Face-saving goals, and Process (Hocker & Wilmot, 2017). These are all goals that people may be trying to reach during conflict. Often these goals can intertwine or be mistaken for each other meaning one may think they are arguing a topic when really, it ' s the relationship that ...

Interpersonal Conflict by William W. Wilmot, Joyce L. Hocker and a great selection of related books, art and collectibles available now at AbeBooks.com.

An introduction to the theory and practice of conflict management. This text first describes the components and dynamics of interpersonal conflict then the various strategies for negotiation, bargaining and resolution.

Interpersonal Conflict 11e examines the central issues that inform conflict and, in turn, make readers ' personal and professional lives challenging and fascinating. With new cases and applications that reflect cultural changes that shape the ways people move through conflict, this new edition invites readers to reflect on, and better understand, conflict as it pertains to the unique vantage points of their lived experience.

In this volume, Ting-Toomey and Oetzel accomplish two objectives: to explain the culture-based situational conflict model, including the relationship among conflict, ethnicity, and culture; and, second, integrate theory and practice in the discussion of interpersonal conflict in culture, ethnic, and gender contexts. While the book is theoretically directed, it is also a down-to-earth practical book that contains ample examples, conflict dialogues, and critical incidents. Managing Intercultural Conflict Effectively helps to illustrate the complexity of intercultural conflict interactions and readers will gain a broad yet integrative perspective in assessing intercultural conflict situations. The book is a multidisciplinary text that draws from the research work of a variety of disciplines such as cross-cultural psychology, social psychology, sociology, marital and family studies, international management, and communication.

The 10th-anniversary edition of the New York Times business bestseller-now updated with "Answers to Ten Questions People Ask" We attempt or avoid difficult conversations every day-whether dealing with an underperforming employee, disagreeing with a spouse, or negotiating with a client. From the Harvard Negotiation Project, the organization that brought you Getting to Yes, Difficult Conversations provides a step-by-step approach to having those tough conversations with less stress and more success. you'll learn how to:

- Decipher the underlying structure of every difficult conversation
- Start a conversation without defensiveness
- Listen for the meaning of what is not said
- Stay balanced in the face of attacks and accusations
- Move from emotion to productive problem solving

Ken Sande, author of the bestselling classic The Peacemaker, has long been a trusted resource on the topic of conflict resolution. In Resolving Everyday Conflict, Sande distills his message to the essentials, quickly equipping readers with the tools they need to bring peace to their relationships. Everyone encounters conflict--whether it be with a coworker, family member, friend, or complete stranger. And yet we all desire harmony in our relationships. Resolving Everyday Conflict is a practical, biblical, concise guide to peacemaking in everyday life that can turn tumultuous relationships into peaceful ones.

Jesus said, "Blessed are the peacemakers." But it often seems like conflict and disagreement are unavoidable. Serious, divisive conflict is everywhere-within families, in the church, and out in the world. And it can seem impossible to overcome its negative force in our lives. In The Peacemaker, Ken Sande presents a comprehensive and practical theology for conflict resolution designed to bring about not only a cease-fire but also unity and harmony. Sande takes readers beyond resolving conflicts to true, life-changing reconciliation with family members, coworkers, and fellow believers. Biblically based, The Peacemaker is full of godly wisdom and useful suggestions that are easily applied to any relationship needing reconciliation. Sande's years of experience as an attorney and as president of Peacemaker Ministries will strengthen readers' confidence as they stand in the gap as peacemakers.

Kory Floyds approach to interpersonal communication stems from his research area where he studies the positive impact of communication on our health and well-being. Interpersonal Communication 2e shows students how effective interpersonal communication can make their lives better. With careful consideration given to the impact of computer-mediated communication, the program reflects the rapid changes of the modern world that todays students live and interact in, and helps them understand and build interpersonal skills and choices for their livesacademically, personally, and professionally.
