Feimster breaks new ground in her story of the racial politics of the postbellum South by focusing on the volatile issue of sexual violence. Pairing the lives of two Southern women—Ida B. Wells, who fearlessly branded lynching a white tool of political terror against southern blacks, and Rebecca Latimer Felton, who

Access Free

urged white men to prove their manhood by lynching black men accused of raping white women—Feimster makes visible the ways in which black and white women sought protection and political power in the New South. While Wells was black and Felton was white, both were journalists, temperance

Access Free Lynchings Of

women, suffragists, and anti-rape activists. By placing their concerns at the center of southern politics, Feimster illuminates a critical and novel aspect of southern racial and sexual dynamics. Despite being on opposite sides of the lynching question, both Wells and Felton sought protection from sexual violence and political

empowerment for women. Southern Horrors provides a startling view into the Jim Crow South where the precarious and subordinate position of women linked black and white anti-rape activists together in fragile political alliances. It is a story that reveals how the complex drama of political power, race,

women artists. Included
are plays spanning the
period 1916 to 1994
from playwrights such
as Angelina Weld
Grimke, Georgia
Douglas Johnson,
Lillian Smith, and
Michon Boston.

Mary Turner and the
Memory of Lynching
traces the reaction of

Access Free Lynchings Of

activists, artists, writers, and local residents to the brutal lynching of a pregnant woman near Valdosta, Georgia. In 1918, the murder of a white farmer led to a week of mob violence that claimed the lives of at least eleven African Americans, including Hayes Turner. When his wife Mary vowed to press charges against the

Access Free Lynchings Of killers, she too fell victim to the mob.

Mary's lynching was particularly brutal and involved the grisly death of her eight-month-old fetus. It led to both an entrenched local silence and a widespread national response in newspaper and magazine accounts, visual art, film, literature, and public
