JIMD Reports publishes case and short research reports in the area of inherited metabolic disorders. Case reports highlight some unusual or previously unrecorded feature relevant to the disorder or serve as an important reminder of clinical or biochemical features of a Mendelian disorder.

A harrowing meditation on tyranny, torture, and freedom by one of Chile's most celebrated contemporary poets. Raúl Zurita's INRI is a visionary response to the atrocities committed under the dictatorship of General Augusto Pinochet. In this deeply moving elegy for the dead, the whole of Chile, with its snow-covered cordilleras and fields of wildflowers, its empty spaces and the sparkling sea beyond, is simultaneously transformed into the grave of its lost children and their living and risen body. Zurita's incantatory, unapologetically political work is one of the great prophetic poems of our new century.
