Each of the programs in Office 2007 has a customizable Quick Access Toolbar at the top. Add the tools that you use most often to this toolbar by clicking on the "More" button (the arrow at the end of the toolbar.) At the top left corner of the screen you will see a round button called the Office Button. This has replaced the "File" menu from the previous versions of Office.

Download Microsoft Word 2007 manual. The new interface for Office 2007 is very different from previous versions. The first thing that you might notice is that some of the menus are no longer there. Most importantly, the FILE MENU is missing. This is the most disconcerting issue for new users, but fear not! All of the features that you usually found in the FILE MENU are now behind the ubiquitous OFFICE BUTTON (circled below).
