"The automotive maven and former Member of Parliament might be the most trusted man in Canada, an inverse relationship to the people he writes about." □ The Globe and Mail Lemon-Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive "Dr. Phil" for over 40 years, Edmonston pulls no punches. His Lemon-Aid is more potent and provocative than ever.

This clear, perceptive and incredibly helpful book enables women to empower themselves to deal with the difficult and emotionally fraught issues surrounding infertility. Written by experienced counsellor Claire Hall and fertility expert Dr Devora Lieberman, Empowered Fertility is a practical guide for women to help them through the experience of infertility and emerge with their mental wellbeing, friendships, relationships and finances intact. It contains clear, well-structured information and offers practical guidance. Each section of the book gives the reader information and support to address physical, psychological, emotional and social challenges that can arise when dealing with infertility, and also with IVF treatment. Subjects include managing expectations, dealing with fear, releasing control and handling changes in relationships. The reader can make use of the coaching tools and exercises to help with each step. For those who are starting or are in the midst of IVF treatment, the last section of the book forms an IVF Cycle Handbook, to guide women through their experience.

Weaving together Jewish lore, the voices of Jewish foremothers, Yiddish fable, midrash and stories of her own imagining, Ellen Frankel has created in this book a breathtakingly vivid exploration into what the Torah means to women. Here are Miriam, Esther, Dinah, Lilith and many other women of the Torah in dialogue with Jewish daughters, mothers and grandmothers, past and present. Together these voices examine and debate every aspect of a Jewish woman's life -- work, sex, marriage, her connection to God and her place in the Jewish community and in the world. The Five Books of Miriam makes an invaluable contribution to Torah study and adds rich dimension to the ongoing conversation between Jewish women and Jewish tradition.

There is also a comprehensive body repair section, with detailed body dimensions for the sedan, Cabriolet, Scirocco and Pickup. This Volkswagen Rabbit, Scirocco, Jetta service manual covers 1980, 1981, 1982, 1983, and 1984 models with gasoline engines.
