Complete Guide to Tarot Illuminati

The world keeps changing extremely fast, but in times of abundance and scarcity, under revolutions or wars, many have prospered. And they did so by looking at the patterns of reality. They understood these Divine Patterns and used them to achieve their personal goals. The patterns have been kept secret for thousands of years in religious books, manuscripts and even fairytales, under allegories and metaphors meant to hide them in plain sight. The enlightened ones — those who can see, called that Sacred Geometry, in a direct reference to the Creator. They then studied the nature of life through the art of the Almighty God, the Master Architect of the Universe. For "The secret of the occult sciences is that of nature itself" (Albert Pike, Freemason). They discovered that there is only one Truth, one God and one religion, despite the many branches characterizing the impulses of the masses. They also saw that this Truth is manifested by the highest moral state, from which the highest wisdom is received. That is when "the half-told story comes to be finished" (Arthur Conan Doyle, Freemason). The one who completes these studies becomes a master of the craft, for he possesses the capacity to alter reality with his mind, and create new worlds like a mason or builder. He becomes both aware and responsible of what he experiences, as much as he is made able to transition to new momentums and alter the future. For "When the Mason learns that the key is a proper application of the dynamo of living power, he has learned the mystery of the craft" (Manly P. Hall, Freemason). This great secret was reorganized here to show you exactly how to experience it, and despite the many attempts of others to remove this knowledge from the public eye. This information comes now as a great opportunity for you to transcend into a new perspective on the attraction of wealth.

The cosmology that underlies the Pythagorean Illuminati's ancient religion of Illuminism is based on six dimensions - three of real space, and three of imaginary space. Discover how this model explains all of the mysteries of Einstein's special theory of relativity and quantum mechanics, and disproves the theoretical basis of M-theory. This book explains the true nature of time and the speed of light, and thereby explains how God, the soul, and the afterlife are all inevitable. This is extremely complex philosophical, mathematical and scientific material that reveals the staggering difference between the childish cosmology of the Abrahamists compared with that of the Illuminati. No scientific materialist would find it easy to reveal any flaws in the Illuminati's six-dimensional cosmos. On the contrary, Illuminism exposes the enormous holes in the ideology of scientific materialism.

When the mind and emotions are put under extreme stress they "break" and create a new mental-emotional state. It is within these mental states - born of trauma - that the mind can be conditioned. That someone would do this intentionally is unthinkable yet it has been done and tested to the degree of a science. "Trauma Based Mind Control" has been used by criminal organizations to maintain secrecy and ensure every order is followed to the letter. Through this process you get the Undetectable Total Mind Controlled Slave. Trauma Based Mind Control creates separate personalities within the individual that will carry out their duty with robotic exactness and then "sleep" so that the individual has no memory of their actions. These people are used as messengers, drug mules, sexual blackmail slaves and are placed in positions close to the worlds most powerful people. In short, they are used to manipulate and control the lives of the world elite. Order This Book NOW!

In English for the first time, a guide to the true secret structure of the Illuminati and their invisible network made of various power structures, author Leo Lyon Zagami uses their internal documents and reveals confidential and top-secret events. His book contends that the presence of numerous Illuminati brotherhoods and secret societies—just as those inside the most prestigious U.S. universities such as Yale or Harvard—have always been guides to the occult. From the Ordo Templi Orientis (OTO)'s infiltration of Freemasonry to the real Priory of Sion, this book exposes not only the hidden structure of the New World Order and the occult practices but also their connections to the intelligence community and the infamous Ur-Lodges.

A deep dive into the origins, history, members, and workings of the Illuminati from a well-known and respected expert. Chilling initiations. Big banks and money manipulations. Possible links to the Rockefeller, Rothschilds, Adamsses, and Bushes. Reviewing the evidence, documents, and connections, The Illuminati: The Secret Society That Hijacked the World by award-winning journalist and author Jim Marrs shines a light on the history, workings, continuing influence, and pernicious and hidden power of this secret order. Surveying experts—from those who dismiss the Illuminati as a short-lived group of little consequence to skeptics who dare question the government's accounts and pronouncements—Marrs cuts through the wild speculation and the attempts to silence critical thinkers to tell the true story of this secret cabal. Gnosticism, mystery schools, the Roshaniya, Knights Templar, assassins, Rosicrucians, Skull and Bones, Knights of Malta, whistle blowers, the revolutions in France, Russia, and America, and the structure, symbols, and theology of the Illuminati are all covered. Marrs takes a broad look at the group and their workings, investigating their origin as "The Ancient and Illuminated Seers of Bavaria," the depiction on the United States one-dollar bill of an all-seeing eye and pyramid on the reverse of the Great Seal of the United States, and the Protocols—or procedures—for usurping national governments and gaining world domination, as well as the Illuminati symbolism found in today's international corporate logos. Wealth, power, and intrigue come together in this in-depth exposé on the Illuminati, their history, connections to influential people, and their place in modern America. The Illuminati lifts the cloaks of secrecy protecting the powerful.
