The third and largest part of the executive is the administration — the government departments and agencies, the Armed Forces, and various autonomous bodies. While departments are the basic organs of administration, answering through their minister to the legislature, the autonomous bodies, such as Crown corporations and regulatory commissions, have more specific roles.

Government | The Canadian Encyclopedia

The major difference between a Canadian province and a territory is that provinces receive their power and authority from the Constitution Act, 1867 (formerly called The British North America Act, 1867), whereas territorial governments have powers delegated to them by the Parliament of Canada. The powers flowing from the Constitution Act are divided between the Government of Canada (the federal ...

Provinces and territories of Canada - Wikipedia

Each finalist was selected based on a few guiding principles, including their uniqueness and their positive impact on Canadian society. “ Each of these people deserves recognition for their remarkable contributions to Canada, ” Deputy Prime Minister and Minister of Finance Chrystia Freeland said in a press release. “ They all overcame barriers, fought for their ideals, and have inspired ...

Travel back to Confederation to see how Canada became a new nation. Our resource breaks down the responsibilities and parts of the federal government. Recognize that Canada is a democracy and a constitutional monarchy, with the head of state being the King or Queen. Read the Canadian Charter of Rights and Freedoms, before writing your own Constitution for a new country. Create a presentation on one of the departments the federal government is responsible for, such as national defense or the post office. Understand that Canada is made up of provinces and territories, and that each has its own government under the federal system. Jump into the political process to elect the next Prime Minister, and see how a majority of minority government affects his or her leadership. Aligned to your State Standards and written to Bloom's Taxonomy, additional writing tasks, crossword, word search, comprehension quiz and answer key are also included.

Our unit takes the mundane and makes it marvellous. Students learn more about government in Canada that the average parent does in a lifetime. An information-based section focuses on important concepts pertaining to government in Canada, and includes related assignments that build a foundation for student knowledge. This is followed by optional lessons that add flexibility to the unit. Finally, our unit is completed with a trio of major projects — Election Campaign Manager, Test For Parents, and Prime Minister Report. With our unit, teachers and students are guaranteed to find a "chicken in every pot"! This Canada lesson provides a teacher and student section with a variety of reading passages, activities, crossword, word search and answer key to create a well-rounded lesson plan.

Provides ideas, lesson plans, information sheets and many follow-up activities that pertain to the local, provincial/territorial and federal government. ... [Shows] the structure of each level of government, how it functions and how the three levels interrelate.

Discover the loneliness that comes with a solitary and independent life. The quizzes and activity pages make this resource accessible for all students. Students choose their own animal to become their faithful companion, much like Frightful is to Sam. Elaborate on Sam's realization that he is low in vitamin C by researching other vitamins and explaining what they provide to the human body. Test comprehension with multiple choice questions that ask about how Sam spends Christmas on the mountain. Predict how long it will be before Sam sees his father again. Identify the different relationships Sam makes with both animals and other people during his time in the Catskill Mountains. Aligned to your State Standards, additional crossword, word search,

comprehension quiz and answer key are also included. About the Novel: *My Side of the Mountain* follows one boy's journey into the wilderness and the most unlikely realization he finds there. Sam Gibley is an adolescent boy who lives in a small New York City apartment with eight brothers and sisters. He hates feeling trapped and dreams of living in the wide open space that only the wilderness can provide. He decides then to run away to his grandfather's abandoned farm in the Catskill Mountains. On the way, Sam recounts how he survives a snowstorm and befriends a falcon and weasel. He learns many skills from people he meets on his journey that will help him to survive his independent lifestyle. However, Sam finds his solitude more lonesome than he thought, and soon yearns for human interaction. This coming-of-age story follows the mental and physical growth of a young boy as he discovers who he really is.

Empower your students to help manage all types of waste across the globe. Our resource explores waste all around the world caused by natural and man-made disasters. Put on a fair to showcase different products that can be made from unused plant parts on farms. Research different clean-up operations of old mines across the country. Learn the hard truth about oil spills with a case study on Exxon Valdez. Conduct a class debate to discuss the advantages and disadvantages to nuclear energy. Find out that not all waste is caused by humans. Recognize the dangers of waste produced by natural disasters. Make a model to demonstrate the devastating effects that space junk can have. Get a sense of what waste costs by evaluating the bio-economical costs of resources used in your home or school. Create a plan to help your school become a zero waste community. Written to Bloom's Taxonomy and STEAM initiatives, additional hands-on activities, crossword, word search, comprehension quiz and answer key are also included.

Explore how waste and pollution impacts on people, wildlife and the ecosystem. Our resource takes your students from the background and causes of waste to pollution and its impact on our lands and oceans. Start by answering the question, what is waste? Then, create a brochure to encourage factories to lessen the amount of pre-consumer waste. Find out what post-consumer waste can be reused again. See how much waste is a result of packaging. Create a diorama to illustrate the life cycle of a product. Get a sense on how landfills work. Present your own news report on the dangers that is toxic waste. Develop a school action plan to battle pollution. Finally, find out what you can do to help reduce waste in our oceans. Written to Bloom's Taxonomy and STEAM initiatives, additional hands-on activities, crossword, word search, comprehension quiz and answer key are also included.

Be encouraged to rise above failure and show just what you're made of. The provided Before and After reading activities really help to build student's reading comprehension. Make connections between the novel and well-known Greek myths by identifying the significance of the three old ladies Percy sees knitting. Make predictions about the plot by deciding whether Percy will find out about his parentage. Go back through the novel and make a list of clues that show the author's use of foreshadowing. Put key events from the novel in the order they occurred as Percy learns about his quest. Compare the Greek gods from the novel with their Roman counterparts. Detail some of the ways the gods of Olympus influenced events in the story, and how these influences impacted plot development. Aligned to your State Standards, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: *The Lightning Thief* follows the mythical adventures of a young boy with a legendary destiny. Twelve-year-old Percy Jackson is close to being kicked out of another boarding school. But his real concern is the figures from Greek mythology who seem intent on killing him. On a school trip, Percy is attacked by one of his chaperones. He learns this person is really a Fury—a Greek deity of vengeance. With a magic sword tossed to him by his Latin teacher, Percy successfully kills the creature. He soon learns that he is, in fact, a demigod—half human and half Greek god. He makes his way to a summer camp for other demigods. Here he learns of his true parentage and why he struggles so much in school. Things get even stranger for Percy when he is thrust into a quest that can either save the world, or doom him forever.

Fall underground to a magical land where a prophecy is soon to come true. Surpass all expectations with thought-provoking activities. Students give meaning to sentences from the novel. Write the true version of false statements from the book. Determine what a metaphor is and find an example from the story. Recall in detail the complete prophecy as told to Gregor. Choose the definition that matches the underlined vocabulary word from the text. Students explore the concept of betrayal and reflect on a time in which they experienced this. Students create their own Underland and write a short story about how to get there. Compare the Overland and Underland in a graphic organizer. Aligned to your State Standards, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: *Gregor the Overlander* is a story of a fantastical world deep beneath the surface of the earth. Gregor is home alone in New York City watching his baby sister and grandmother. After his sister falls through a grate in the basement, Gregor follows her deep underground into a new world. The Underland is filled with humans whose skin is almost see-through, giant bats, rats, mice, and fireflies. A conflict between the human city of Regalia and the rats is creating panic among the inhabitants. It's not until a prophecy is revealed that Gregor finds himself involved in plans to save the Underland. *Gregor the Overlander* is an epic story of fantasy and destiny.
