In this new volume, the authors of the bestselling Christmas Miracles, The Magic of Christmas Miracles, Mothers' Miracles, and A Gift of Miracles share more than thirty of the most transcendent and mystical true stories they have encountered of ordinary people whose lives were transformed by wondrous events, including: "An Angel's Hand": A struck car spins wildly, sending the passenger door and seat belt flying. Yet the girl in the passenger seat is unhurt—miraculously held in place. "A Path Through the Wilderness": Fleeing to freedom, a mother and son are led safely through a mine-infested forest by a blessed nighttime apparition. "Thanks, Tad": A child receives visits from the grandfather who died years before she was born. "Matchmaker in Heaven": A mysterious red-haired woman has some surprising insights into the personal ads. "A Shaving Cream Surprise": A husband sends a tender message to his grieving widow. "Miracles come more often than we might suppose," the authors write, "and it's very likely that every family has at least one story they could tell. Each small miracle seems to come as part of a greater plan, to accomplish a thing of worth, to help change a life, in addition to offering comfort. Heavenly miracles—proof of God's love and involvement in our lives—are all around us." Let Heavenly Miracles enrich your heart, mind, and soul and remind us all that miracles do, indeed, happen.

Franz hasel, a 40-year-old pacifist, was drafted and assigned to Pioneer Company 699, Hitler's elite troops who built bridges at the front lines. His religious scruples did not endear him to his superiors. Sarcastically dubbed "carrot eater" and "Bible reader," he finally gained the respect of his unit. Just before he was sent deep into Russia--where all but seven of his 1,200-man unit would die--he secretly discarded his gun, fearing that, as the company sharpshooter, he might be tempted to kill. In Russia he faced a new problem: how to warn the local Jews before the SS got to them.

On August 14, 2011, when I was in Kandergrund in the Bernese Highlands in Switzerland an important connection became very clear to me. I recognized a spiritual cause for why we are losing part of our youth. I was very shocked. I thought of my children and grandchildren. Since then I have been intensively occupied with this subject. Now I believe that the same spiritual cause is behind many of our problems; specifically the personal problems, in the local churches and the world-wide church. It is the lack of the Holy Spirit. If this is the cause, then we should urgently address this issue. If the cause can be eliminated or considerably reduced, then many problems will become superfluous or will be resolved.
