Signature Sins: Taming Our Wayward Hearts (16pt Large Print Edition): Mangis, Michael: Amazon.sg: Books

Finally--a safe place to talk about sin. The topic of sin in general has been safe for a while. But here, guided by psychologist Michael Mangis, we get specific by learning to know ourselves and our signature sins--the individual and specific patterns of sin in our life that affect our thoughts, actions and relationships. In these pages, the author empathetically and honestly reflects on the ways we manage our behavior to hide our sin and ignore the true poverty of our hearts. But until we deal with the root of our sin, we will be ruled and fooled by it, and miss the freedom Christ died to bring. Exploring common forms of sin and then discovering how our own temperament, culture, family and gender affect the way those sins manifest themselves in our lives will lead us to a place of real honesty with ourselves, God and others. But the book doesn't stop there; it also shows ways to combat our sin so that we can change our hearts, not just our behavior. Sin is serious and specific, and it doesn't go away on its own. But here is serious--and safe--help for facing sin and finding freedom in Christ.

Michael Mangis explores why we get stuck in a pattern of sin by looking at how we repeat one core, or signature, sin again and again. He helps us each uncover that sin, and then looks at gender, personality, family background and other influences that shape our sin, offering further help in breaking sin patterns.

But here is serious--and safe--help for facing sin and finding freedom in Christ.

My stubborn need for control tripped me up constantly. Maybe you can identify with author Jeanette Towne. She'd been a believer for years but knew there were areas of her life, especially her need for control, that held her back from true intimacy with God. Tired of good-enough faith, she devoted forty days to complete surrender through prayer, fasting, and allowing God to reveal areas of sin. The results changed her life. *40 Days of Surrender* invites you to a deep dive, using the same steps that Jeanette took while learning to submit and give everything to God. Filled with personal stories and testimonies from other women who've completed forty days of surrender, this study encourages you to examine your faith, relationships, ministries, and areas of secret sin as you surrender to God. The format draws a parallel to Jesus's time in the wilderness and focuses on these key elements: • prayer and meditation • fasting • identifying areas that trip you up spiritually • making purposeful changes that bring you closer to the Lord Get ready to discover the beautiful things that happen when you surrender.

This book provides a lively introduction to the exciting discipline of evangelical theology. Aligning with the global Lausanne Movement, the authors identify Scripture and mission as methodological centres of evangelical theology. *Evangelical Theology* highlights the key evangelical themes of atonement, conversion, justification, and sanctification, as well as recent developments around trinitarian theology and pneumatology.

Saints of the past can't seem to say enough about their ecstatic experiences with the words of Scripture. The writer of Psalm 19, for example, can hardly contain himself as he exclaims that God's words and ways have revived his soul, made him wise, brought joy to his heart, given him clarity and correct perspective on his life, and warned him of danger. Why should our experiences of the Bible today fall short of this standard? What are we missing? Spiritual formation experts James Wilhoit and Evan Howard argue that our ancestors in the faith responded to the special nature of Scripture with special habits of reading. In this step-by-step introduction to the practice of *lectio divina*, you will learn what it means to read your way into a new and life-changing intimacy with God. Their simple, easy-to-follow explanation of this ancient practice provides a perfect foundation for you to begin meeting God in his Word as you: read, meditate, pray and contemplate. Discover a new experience of God's Word--one that leads you to experience more of God himself.

Most youth workers will admit that they don't spend a lot of time thinking about safety in their youth ministry. Sure, they shout, "Seat belts!" when the crew loads into the van, or they use the buddy system when at theme parks. But beyond that, they're mostly concerned with introducing students to Jesus. Nothing's wrong with looking after their spiritual well-being, but overlooking their safety can lead to pain and problems for you, your students, your church, or your community. The reality is, whether it's a game of dodgeball in the church gym, or a rock climbing trip during a summer retreat, you have precious cargo in your care, and it's your responsibility to make sure they return home safely and in one piece. *Better Safe Than Sued* is an essential guidebook for anyone in youth ministry—paid or volunteer,

## Read Book Signature Sins Taming Our Wayward Hearts

veteran or rookie. Along with questions to get you thinking about your own ministry context after each chapter, inside you'll discover how you can make your ministry a safe place for students and leaders as you read about:

- Safety while riding in buses, vans, and cars
- Camps, retreats, and conferences
- Selecting staff
- Avoiding sexual misconduct
- Establishing a No-Bully Zone
- How to handle injuries, and much more

Make sure your ministry is safe and that you're protected so you never have to be the one saying, "I never took safety seriously until ..."

Bonhoeffer says spiritual care is a function of the congregation and that it is an aspect of the broader, more encompassing activity of proclamation. In *Spiritual Care*, we are confronted with the awesome truth that in speech God's presence is known and that speech is also our own; in silence God's presence is known and that silence is also our own. The text demands us to consider how the gospel message is brought to people in the midst of their personal lives, and his message and counsel use the tools given within the traditional life of the church so that such grace becomes enacted, enfolded, and incarnate in the Christian community.

Holiness describes a way of living made possible through an intimate, personal relationship with God. Holiness speaks of life and relationship, not letter and law. *Breaking Free from Sin's Grip* takes us back to the time when a loving Father saw His children for the first time and dreamed big dreams for them. But this isn't a story about someone else long ago. It's as current as today's newspaper. Step into God's story as you answer the call to holy living. The atoning work of Christ is at the center of Christian thought, yet many followers of Christ often struggle with offering or receiving forgiveness. Distinguishing between shame and guilt, Philip Jamieson reveals weaknesses in traditional Western atonement models and offers several strategies to help Christians understand the fullness of God's forgiving work.
