Its great to be able to go back and read Stokely Carmichael today in his own words. This book provides an excellent overview of what black power means and how the concept originated. Although the book seems a bit dated today, many of the ideas presented are still entirely relevant. I've only given the book four stars due to its age.

STOKELY CARMICHAEL, "BLACK POWER" (29 OCTOBER 1966) [1] Thank you very much. It's a privilege and an honor to be in the white intellectual ghetto of the West. (audience laughter) We wanted to do a couple of things before we started. The first is, that, based on the fact that SNCC, through the articulation of its program by its chairman, has been able to win elections in Georgia, Alabama, Maryland, and by our appearance here will win an election in California, 1968 I'm goin' to run ...
