Introduce students to the supervisory skills they'll need to succeed in a hospitality career. They will be prepared to meet the expectations of management, employees, and guests. SUPERVISION IN THE HOSPITALITY INDUSTRY, 5/e features revised procedures for managing conflict; expanded information on motivation, including a discussion of on-boarding; new information on the role of technology and social media on recruiting and reference checks; new information on the costs and benefits of training; and a discussion of the use of technology for employee scheduling, including scheduling software and company intranets. This book also provides resources to help students create a professional development plan for their career. Authors: Jack D. Ninemeier, Ph.D., CHA, CHE, and Raphael R. Kavanaugh, Ed.D., CHA

Supervision in the Hospitality Industry, Ninth Edition, is a comprehensive primer designed for beginning leaders, new supervisors promoted from an hourly job, and students planning for careers in the hospitality industry. Covering each essential aspect of first-line supervision, this market-leading textbook helps readers develop the practical skills and knowledge necessary for effectively supervising hospitality workers at all levels of an organization, including cooks, servers, bartenders, front desk clerks, porters, housekeepers, and janitorial staff. Topics include planning and organizing, communication, recruitment and team building, employee training, performance effectiveness, conflict management, and more. The text's unique approach to leading human resources — combining fundamental leadership theory and the firsthand expertise of hospital industry professionals — enables readers to master concrete, results-driven leadership methods and overcome the everyday challenges faced in the real world. Principles of good leadership and supervision are presented in clear, easy-to-understand language and are reinforced by numerous examples, case studies, discussion questions, and activities. The ninth edition of Supervision in the Hospitality Industry remains the ideal text for students and practitioners alike, delivering a basic yet comprehensive knowledge of the different elements of the supervisor's job while helping develop the leadership qualities needed to succeed as a hospitality professional.

Order of authors reversed on previous eds.

Supervision in the Hospitality Industry, 8th Edition focuses on the different roles of employees from beginning leaders, newly promoted supervisor, or anyone planning a career in the hospitality field. A market leader, this text is widely used by thousands of students training for a career in the hospitality industry and current hospitality supervisors alike. Supervision is unique in that it does not solely rely on the supervisor's point of view; instead, it considers the viewpoints of all levels of associates to create an informed picture of management and supervision in the hospitality industry.

Human resources are led, not managed. Supervision in the Hospitality Industry: Leading Human Resources, Sixth Edition is about leading the people who cook, serve, tend bar, check guests in and out, carry bags, clean rooms, mop floors—the people on whom success or failure of every hospitality enterprise depends. It is a book about first-line supervision, written especially for the beginning leader, newly promoted supervisor, or anyone planning a career in the hospitality field. Even experienced managers will find it full of useful ideas

and insights. Revised and updated to include increased coverage of contemporary diversity initiatives, with information on recruitment and retention, and additional profiles of individuals and companies, Supervision in the Hospitality Industry provides a basic understanding of a leader's role and responsibilities applied to the hospitality industry.

Blank examination answer sheet tipped in.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Hospitality is a people industry, and this textbook will teach readers how to manage the important human resources who provide services within a hospitality operation. They'll learn how to fulfill the requirements of U.S. employment and workplace laws, and discover the latest strategies for attracting employees, minimizing turnover, and maximizing productivity. Topics include: The impact of the post-recession economy on recruiting, selection, retention, and turnover How companies use social media to learn about job applicants The role of technology in performance appraisals The latest trends in effective incentive programs and industry benefits The changing face of unions and new trends in organizing and collective bargaining Social responsibility and sustainability measures, including what companies are doing (and not doing) right

This book approaches hospitality human resource (HR) management as a decision-making practice that affects the performance, quality, and legal compliance of the hospitality business as a whole. Beginning with a foundation in the hospitality industry, employment law, and HR policies, the coverage includes recruitment, training, compensation, performance appraisal, environmental and safety concerns, ethics and social responsibility, and special issues. Throughout the book, Human Resources Management in the Hospitality Industry focuses on the unique HR dilemmas you face in the hospitality industry.

A practical resource for managers and supervisors in hospitality businesses In many hospitality establishments, one manager or supervisor is the entire human resources department, making all the hiring and training decisions, often without having a formal human resources background. Filling this knowledge gap, Hospitality Employee Management and Supervision provides both busy professionals and students with a one-stop comprehensive guide to human resources in the hospitality industry. Rather than taking a theoretical approach, this text provides a hands-on, practical, and applications-based approach. The coverage is divided into four sections: legal considerations, employee selection, employee orientation and training, and communication and motivation. Each chapter in this lively and engaging text features: Quotations--Various practitioners in the hospitality industry highlight the chapter's focus Chapter Objectives and Summaries lay out key concepts and then, at the end of each chapter, review them HRM in Action features highlight real-world HRM experiences that relate to the content presented in each chapter Tales from the Field--Hospitality employees provide accounts of the various challenges they face in the industry Ethical Dilemmas--Scenarios from the hospitality industry which emphasize the role ethics plays in every aspect of the hospitality industry Practice Quizzes and Chapter Review Questions reinforce student comprehension of key concepts Hands-On HRM--Mini-cases based on real-world situations with discussion questions Chapter Key Terms--Bolded within the chapter and then listed at the end of each chapter with definitions
