Effectiveness of Peer Tutoring in Learning English among ...

Peer tutoring appears to be particularly effective when pupils are provided with support to ensure that the quality of peer interaction is high: for example, questioning frames to use in tutoring sessions, and training and feedback for tutors. In cross-age peer tutoring some studies have found that a two-year age gap is beneficial and that intensive blocks of tutoring are more effective than ...

Peer assessors are inevitably novices, unless peer assessment is transformed into cross-level peer tutoring. A second perspective defines peer feedback quality in terms of content and/or style characteristics. The advantage of this approach is that such characteristics are not domain- and/or task-specific, thus teaching students to focus on content and style characteristics results in a ...

ERIC - ED430959 - The Effectiveness of Peer Tutoring in ...

Peer teaching, or peer tutoring, is a far more instrumental strategy in which advanced students, or those in later years, take on a limited instructional role. It often requires some form of credit or payment for the person acting as the teacher. Peer teaching is a well-established practice in many universities, whereas reciprocal peer learning is often considered to be incidental-a component ...
