Cristiano Ronaldo - The Rise of a Winner is the gripping life story of a boy who rose from the streets of Madeira to become one of the greatest soccer players ever. A heartfelt, startling tale of his journey to glory and what made him the man he is.

Neymar the Wizard is the fascinating coming-of-age story of Neymar da Silva Santos Junior, the skinny kid from Mogi das Cruzes, who has been called the next Pelé. Neymar has taken Brazil and the world by storm and continues to inspire millions of fans around the world with his talent, heart, and winning smile. Following the international bestsellers, The Flea the Amazing Story of Leo Messi and Ronaldo The Rise of a Winner, by Michael Part, Neymar The Wizard is the heartwarming and emotional story of a father and son, who, against all odds, made the journey from the edge of poverty, to international stardom, through love, conviction, and a young boy's belief in himself.

An enchanting tale of the search for forgotten treasures at one of the greatest flea markets on earth. Across America and around the world, people wander through flea markets to search for lost treasures. For decades, no such market was more renowned than the legendary Chelsea flea market, which sprawled over several blocks and within an old garage on the west side of Manhattan. Visitors would trawl through booths crammed with vintage dresses, rare books, ancient swords, glass eyeballs, Afghan rugs, West African fetish dolls, Old Master paintings, and much more. In The Golden Flea, the acclaimed writer Michael Rips takes readers on a trip through this charmed world. With a beguiling style that has won praise from Joan Didion and Susan Orlean, Rips recounts his obsession with the flea and its treasures and provides a fascinating account of the business of buying and selling antiques. Along the way, he introduces us to the flea's lovable oddball cast of vendors, pickers, and collectors, including a haberdasher who only sells to those he deems worthy; an art dealer whose obscure paintings often go for enormous sums; a troubadour who sings to attract customers; and the Prophet, who finds wisdom among all the treasures and trash. As Rips's passion for collecting grows and the flea's last days loom, he undertakes a quest to prove the provenance of a mysterious painting that just might be the one.

Iconic bassist and co-founder of the immortal Red Hot Chili Peppers finally tells his fascinating life story, complete with all the dizzying highs and the gutter lows you'd expect from an LA street rat turned world-famous rock star.

This gem of a novel takes place in Pittsburgh in 1952. Franny Katzenback, while recovering from polio, reads and falls in love with the brand-new book Charlotte's Web. Bored and lonely and yearning for a Charlotte of her own, Franny starts up a correspondence with an eloquent flea named Fleabrain who lives on her dog's tail. While Franny struggles with physical therapy and feeling left out of her formerly active neighborhood life, Fleabrain is there to take her on adventures based on his extensive reading. It's a touching, funny story set in the recent past, told with Rocklin's signature wit and thoughtfulness. Awards Bank Street Children's Books "Best Books of the Year," Fiction Ages 9-12 Sydney Taylor Notable Book for Older Readers Praise for Fleabrain Loves Franny "Heartwarming and endlessly funny, Fleabrain Loves Franny will delight readers of all ages. Rocklin's sharp wit and exuberant writing style are refreshing. This book is not to be missed." --VOYA "Franny—a compassionate, thoughtful and sympathetic protagonist—is believably erratic in her emotions and reflections on her illness and its effects on her previously carefree life." --Publishers Weekly "Rocklin perfectly captures the era of 1952 and creates a sympathetic, realistic character in Franny, who begins to accept her condition, rejoin her friends and even protest her school's inaccessibility." --Kirkus Reviews "Comedic and philosophical, readers will find multiple levels to enjoy." --School Library Journal

A flea with a cold startles all the animals in the barn when it sneezes unexpectedly.

From an award-winning children's book author and illustrator comes a wordless graphic novel full of whimsy, tradition, and fun for all ages. Petro the lazy boy, goes on an out-of-this-world adventure as he tries to save a small town from the torments of the Flea King and his minions. Readers' Favorite: "I loved the eloquent and expressive illustrations, and especially appreciated the genesis of the rascally Flea King and the almost post-apocalyptic flavor his rise to power gives to the work. This creative and imaginative graphic novel works on so many levels, and while it can't really be read aloud, I'd venture to say that just about any kid would have a lot of fun narrating what is happening on each page. Petro and The Flea King is most highly recommended." --- 5 Stars, Jack Magnus for Readers' Favorite "Oftentimes when we read about beautiful and robust fantasy fiction, we are often taken into deep forests where all the wonderful, majestic dragons and wizards reside. Those places seem so far and yet so close as they are typically wrapped in a book we keep on our night stand. Ken Lamug's Petro story bridges what we know as fantasy into the Philippine narrative, merging it with the reality of the country's provincial life." --- Jean Marie Munson Founder, Plot Twist Publishing "I think any adult would get a kick out of reading this with a little kid. The setting is definitely an

opportunity to get children to explain in their own words what is going on. It's a book they can have a conversation about!" - Amanda Panda Book Review 4.5 out of 5 Stars "...a fable with classic roots and modern touches that will feel timeless whenever it's pulled off the shelf." - Manhattan Book Review 5 Stars! - LitPick Review In recognition of author's previous book, "A Box Story" Pinnacle Book Awards Winner 2012 for Children's Interest (March 2012) - From the National Association of Book Entrepreneurs 2012 Children's Book Award Finalist - From the National Indie Excellence Book Awards Literary Classics Seal of Approval (March 2012): Young audiences will surely find enjoyment within the pages of this clever little book. Kenneth Lamug's, A Box Story, comes highly recommended, and earns the Literary Classics Seal of Approval. Kirkus Reviews (2012): Drawings and overall aesthetic are lovely...Lamug presents a minimalist, well-designed take on the elemental idea that children can have hours of fun with a plain cardboard box.

"A gripping and unsettling new novel by the award-winning author of The Loney that asks how much we owe to tradition, and how far we will go to preserve it"--
