The Report Card is a children's novel by Andrew Clements, first published in 2004. The story is narrated by a 5th-grade girl, Nora Rose Rowley. Nora is secretly a genius but does not tell anyone for fear that she will be thought of as "different". Plot summary. 9 year old Nora was a disgrace to her entire family, To disguise her intellect, Nora observes and emulates her classmates so she doesn ...

The Report Card - Wikipedia

A report card, or just report in British English, communicates a student's performance academically. In most places, the report card is issued by the school to the student or the student's parents once to four times yearly. A typical report card uses a grading scale to determine the quality of a student's school work.
